TABLET COVERS

AFRICAN WILDLIFE COLLECTION

GENERIC FIT - HAND STITCHED

Our Creative Nature range of tablet covers are simple slip-on sleeves with a protective felt inner that offers your tablet that extra protection, while giving it a fun and funky look. They have been designed to fit most tablet sizes, specifically iPad and smaller, with an inner dimension of 26.5cm x 20cm. The selection is made up from our 3 ranges - the African Wildlife Collection, Nature in Black and White and Creative Nature. Each tablet cover is printed with an image and finished with a quality hand-stitched thread around the outsides.
